Attenzione! Durante la richiesta di parti di ricambio, è importante specificare il voltaggio e la frequenza del motore. È possibile trovare tali dati sulla targhetta posta sul motore.

Achtung Für eine Ersatzteilbestellung ist die Angabe der Motorspannung und Motorfrequenz unbedingt erforderlich. Bitte entsprechende Daten von den Motortypenschildern ablesen und bei Bestellungen angeben.

Note! When ordering spare parts, it is essential that you specify the motor voltage and motor frequency. Please take a note of this data from the motor name plates and specify when ordering.

Attention! Lors de toute commande de pièces détachées, les données relatives à la tension et à la fréquence du moteur sont absolument nécessaires. Ces données figurent sur la plaque signalétique du moteur et doivent être communiquées au moment de la commande.
